campaign to require open science practices in clinical trials.

Ben Goldacre: Battling Bad Science | TED Summaries

Ben Goldacre: Battling Bad Science So I'm a uh doctor, but I kind of slipped sideways into research, and now I'm an epidemiologist. And nobody re-ally knows what epidemiology is.

1. Epidemiology is the science of how we know in the real world if something is good for you or bad for you.

Ben Goldacre: Battling Bad Science

At Core Concepts, we work hard to battle bad science. We do so by explaining what seems like complicated matters, and not hide behind credentials. If you believe in this, you should meet Dr Ben Goldacre. If you haven't been reading Dr. Ben Goldacre, you should. He is arguably one of the most interesting and important science writers working ...

Battling Bad Science At Core Concepts: Quoting Dr. Ben

...

Ben Goldacre is a British science writer and psychiatrist, born in 1974. He is the author of The Guardian newspaper's weekly Bad Science column and a book of the same title, published by Fourth Estate in September 2008.

Bad Science by Ben Goldacre - Goodreads

Dr. Ben Goldacre is the author of the popular Guardian column, Bad Science. He has recently published a book by the same name. Bad Science received a very favorable review from the British Medical Journal and although I was tempted to write my own review for Science Based Medicine , I decided to cherry pick some concepts from the book instead.
