Trump Sees Foreign Policy Win in Gulf Nations' Israel Deal ...

Israel's foreign policy was shaped by the 100 years prior to its establishment when state-seeking and state-making dominated Zionist ideology and diplomacy. After the state was established, foreign policy was determined by the element of state-keeping. Seven elements emerged in defining and applying Zionist and Israeli foreign policy: (1) creating and sustaining a Jewish territory with a significant Jewish population, (2) developing a viable economy, (3) finding and retraining major power ...
