The French also established a new clock, in which the day was divided in ten hours of a hundred minutes of a hundred seconds - exactly 100,000 seconds per day. The calendar was adopted more than one year after the advent of the First Republic (there was no year 1), after a long debate involving the mathematicians Romme and Monge, the poets Chénier and Fabre d' Eglantine and the painter David.

An early sequence clearly marks Cleo from 5 to 7 as an artifact of the French New Wave: as Cleo (Corinne Marchand) walks down a staircase, the action is captured in a series of jump cuts that call attention to form in an exciting and then-new way. Yet the movie stands apart from the French New Wave in that it is very much the story of a woman, not about a woman.

History. The earliest known reference to French toast is in the Apicius, a collection of Latin recipes dating to the 4th or 5th century, where it is described as simply aliter dulcia ("another sweet dish"). The recipe says to "Break [slice] fine white bread, crust removed, into rather large pieces which soak in milk [and beaten eggs] fry in oil, cover with honey and serve".

France and the Age of Exploration. Up to the eve of the explosion of European exploratory and colonizing activity, France had been embroiled in the enervating Hundred Years' War (1337-1453). That series of conflicts started in a quarrel over the succession to the French throne; Edward III of England had made a claim.
