Created by contemporary artist Es Devlin, working in collaboration with her long-term studio colleague Machiko Weston, this digital artwork has been specially commissioned by IWM.

I SAW THE WORLD END - CNDP

The point I wanted to make is that whatever degree of objectivity Mr Cooke's interpretation of The Ring may or may not have, whether one agrees with his observations or not, at all events "I Saw the World End" is a brilliantly written and marvellously enlightening way to plunge into serious exploration of Wagner's most ambitious achievement in the field of music drama.

I Saw the World End: A Study of Wagner's Ring (Clarendon ...

The production of the Ring that I saw, and which has been running at the Bavarian State Opera since 2012, was designed by Andreas Kriegenburg. ... opened a bit strangely. When the drama opens, the three Norns sing the story of the Cycle so far, and realize that the end of the world is imminent. In this production, ...

I Saw the World End: A Study of Wagner's Ring (Clarendon ...

The spectacle of the world has always been treated by Jose Saramago with humour and, at times, intense sadness. His latest work is, as its title suggests, a voyage of discovery, by car, of the land to which he is bound by birth and culture (he currently lives in Tenerife). The Nobel laureate turns his arch eye from the imagined events of fiction to the observed landscape and people of ...

I Saw the World End A Study of Wagner's Ring Deryck Cooke. A Clarendon Press Publication. Long considered a masterpiece, Wagner's Ring has baffled and confused critics because of the highly complex meaning of its text and music. The diverse range of commentaries written on the subject since the first performance over one hundred years ago reveals just how little critics have understood The Ring.
