Juvenescence: Investing in the Age of Longevity by Mellon Jim

Investing in the Age of Longevity was an event held in London earlier this year as a part of the Longevity Week, a chance for Jim Mellon and the rest of the Juvenescence team to present their thesis on the longevity industry to the investor community - that this is an enormous opportunity to both greatly improve the human condition and generate returns on investment. A number of companies were there to present, as examples of the work on slowing and reversing aging presently taking place ...
