What Is Leadership? - Non Profit News | Nonprofit Quarterly

The term "leadership potential," at first glance, can seem too subjective to be useful. But the Corporate Leadership Council has developed a detailed model of high potential that we have modified for use in the nonprofit sector. (Our main modification was to deemphasize the motivating power of purely financial rewards, since people in the nonprofit sector tend to be more strongly driven to do ...

Facilitating strategic planning for nonprofit corporations. Managing and motivating employees. But most of all, you'll need to be the right kind of person to deal with the challenges of nonprofit leadership. Fundraising and financial savvy may be key skills, but you'll need the innate traits that can't be taught in a classroom: visionary leadership, the ability to connect with people and support and inspire them, and compassion.
