When China Rules the World: The End of the Western World ...

When China Rules the World: The End of the Western World and the Birth of a New Global Order is a book by British journalist and scholar Martin Jacques. It was released in 2009. It aroused a serious discussion in the United States and globally about the role of China in the creation of the new 21st century world order. Jacques refers to the estimates on China's economic superiority, such as made by Goldman Sachs, and concludes that China's future economic strength will heavily alter the politica

When China Rules the World - Wikipedia

Martin Jacques's When China Rules the World is well written, nicely packaged, and fails utterly in explaining why China is going to rule the world. But then, maybe we should it expect it to. After all, it's not called Why China Will Rule the World, but with a title like the one it has, one can be forgiven for expecting a concrete explanation.

Key Arguments & Synopsis - Martin Jacques

To substantiate this thesis, When China Rules the World provides numerous graphs and diagrams to illustrate China's growth, its massive hunger for energy and raw materials, its consequently significant economic relationships across Asia and Africa, its vast ownership of U.S. debt, its demographics, its out-stripping comparison to performance in the rest of the global economy, its foreign policy interests, and its impact on perceptions elsewhere in the world. The statistics iterate the ...
